Cherry Blossoms
represent
beauty,
transience,
renewal,
and the fleeting
nature of life.

ART 419

アル・エフ・アート・419

I do projects involving a mix of graphic design and animation. I want to create original cartoon and anime-inspired characters. Japanese anime and manga draw inspiration primarily from Japanese culture, history, mythology, and traditional art forms while also incorporating influences from Western animation's unique blend of storytelling and visual style that reflects contemporary Japanese society and explores diverse themes across various genres.

Pleasure to work with you.
